Can I transfer money internally between my accounts?

Deposits & Withdrawals · https://idwindsorbrokers.com/knowledge-base/deposits-withdrawals/can-i-transfer-money-internally-between-my-accounts/

Internal transfers can be made free of charge through the Portal.

- Log into your Portal
- Click on ‘Internal Transfer’
- Select ‘Source Account’ and ‘Target Account’

(The account from which you want to withdraw and the account you wish to make a deposit respectively)

- Enter the amount of your choice
- Click on ‘Submit’

Note: Internal transfers can only be made between accounts with the same account currency
