How can I create a Demo Account?

Opening & Managing Account · https://idwindsorbrokers.com/knowledge-base/opening-managing-account/how-can-i-create-a-demo-account/

Creating a Demo Account is straightforward and offers a secure way to explore trading platforms and practice strategies.

If You're Not Yet Registered:

1. Visit the Windsor Brokers website and click “Open Account.”
2. Select “Sign Up” and fill in your details.
3. Choose “Demo” as your account type when signing up.
4. Verify your email by clicking the confirmation link you receive.
5. Log in to the Portal using the email and password you registered with.
6. Complete your profile and upload the necessary documents.
7. In the Accounts Section, go to the “Demo” tab and click “New Demo Account.”
8. Select your trading platform (MT4 or MT5), base currency, and desired leverage.
9. Confirm your Portal password and click “Submit.”
10. Your Demo Account credentials will appear on screen and also be sent to your email.
11. Download the MT4 or MT5 platform to begin practicing.

If You’re Already Registered:

1. Log in to the Portal using your credentials.
2. Type the email and password that you used for registration
3. Proceed directly to step 6 above to complete the demo account setup.

Please note that you can open up to two Demo Accounts on the MT4 platform and up to three Demo Accounts on the MT5 platform. Each demo account remains active for one year. If you wish to add more virtual funds after registration, use the “Add Virtual Funds” option found in the Demo tab of your web client portal or the Windsor Brokers App.
